Brief Background

On January 15, 1908, Howard University brought forth the world’s most unique and versatile group of women who organized into the body of Alpha Kappa Alpha. Its purposes, envisioned by Ethel Hedgeman Lyle and 15 other women, have applied to every transformation presented to the African-American community throughout the 20th Century. From this vision, Alpha Kappa Alpha became an incorporated body on January 29, 1913. The sorority has grown into a force of nearly 300,000 collegiate members and alumnae, constituting over 1,000 chapters. Alpha Kappa Alpha has provided inspirational leadership, enduring services, and unifying sisterhood for 112 years and will continue to strengthen local communities, the nation, and the world.

On December 17, 1947, Delta Tau Omega Chapter of Alpha Kappa Alpha Sorority, Inc.® was chartered in Lansing, Michigan with the purpose of encouraging high scholastic values and achievement, promoting ethical standards, and providing community service for the benefit of the Greater Lansing community. Specifically, the presence of Delta Tau Omega has enhanced the climate and enriched the culture for African Americans in the Greater Lansing community. Delta Tau Omega has decades of service and participation in various civic, religious, political, and educational endeavors in the Lansing community and beyond.

Delta Tau Omega Chapter Scholarship Opportunities

Delta Tau Omega Chapter awards several college scholarships yearly to Greater Lansing area high school seniors. These scholarships are awarded at the chapter’s annual Senior Salute and Scholarship Luncheon. Senior Salute is the chapter’s signature community program. Students are nominated by their high school administrator (counselor or principal) to participate in Senior Salute. These nominated students are then invited to register to attend the luncheon and apply for our college scholarships. On average, the chapter awards six scholarships yearly.

Senior Salute began in 1980 as a vehicle to publicly recognize African-American high school seniors in Greater Lansing for their efforts in securing an education and graduating. Recognize African-American graduating seniors in the Greater Lansing area. 2). Acknowledge the special accomplishment of honor students who have earned at least a 3.5 cumulative GPA. 3). Award college scholarships. Senior Salute is Delta Tau Omega's way of honoring and congratulating students for achieving this academic milestone and thanking their families, teachers and administrators who made the financial and emotional investments in their students' success.
